

St. Demetrios Greek School

School Year 2024-2025

CONFIDENTIAL

Dear parents:

A top priority of our school is to provide a safe and supportive learning classroom environment, so that each of our students can have an educational experience that is intellectually stimulating and socially rewarding.

To achieve this goal, we would like you to provide information regarding your child's physical health and general well-being. This information will help us support your child and keep him or her safe and actively engaged in our school community.

Please note that this information will be kept completely confidential, as it will only be shared with your child's teacher and the principal.
