

St. Demetrios Greek Orthodox Church

Project Sam

A Special Needs Orthodox Ministry

Project SAM is dedicated to reconnecting individuals with special needs to the Orthodox Faith. We invite you to join us on the first Saturday of every month for a Sensory-Friendly Divine Liturgy. Father Evgenios will lead a discussion on the Gospel, followed by a creative art craft activity.

Come and be part of a welcoming, inclusive community that celebrates faith, connection, and creativity.

Please note: Meetings are not drop off events, all ministry participants must be accompanied by their guardian.

Our priority is to embrace this exceptional community of individuals.

If you or someone you know can benefit from this Special Needs Program please email GrStDemetriosUnion@hotmail.com
